

CHIEF OF VILLAGE: TSUHA, SEIKICHI

OWNER OF LAND: CHINEN, SEISUKE

The above individuals visited the Bureau on 27 March 1990 to request permission to build a new family tomb on the landowner's land in our antenna field. Bureau engineer accompanied them to inspect the site. It is next to an already existing tomb in an area overgrown with weeds and covered with trash. No antennas would be affected. Permission was granted.
